Code of Conduct and Rules

The HSBC PLACE Fitness Centre has been designed to offer all tenants the opportunity to participate in fitness and wellness activities that are enjoyable and beneficial to their health. In order to promote these objectives, the facility must be shared by all members, with a view to ensuring that members consider the impact of their actions upon others using the facility. While much of this information is “common sense” to most of us, some codes may differ from other fitness facilities that you may have frequented in the past.

Members are expected to behave in a responsible manner that is consistent with this Code of Conduct and WILL:

- comply with the Fitness Centre hours of operation (5:00 a.m. – 10:00pm, Monday - Friday) and will vacate the facility, including locker rooms, no later than midnight (gym floor closes at 9:45 p.m.). Weekends and holidays the facility hours of operation will be 9:00 a.m. – 5:00 p.m. and will vacate the facility, including locker room no later than 5:00 p.m. (gym floor closes at 4:45 p.m.).
- keep safety in mind at all times
- consult with fitness staff, if unfamiliar with the equipment, or safe exercise principles
- ask another member to “spot” them, if performing heavy lifts (fitness staff will not usually “spot” members, however, Personal Trainers will)
- allow others to “work in” with them, when performing multiple sets on a machine or bench (everyone has limited time to exercise and the equipment must be shared by all)
- be courteous and respectful in dealings with other members and staff; verbal or physical abuse will not be tolerated
- treat Fitness Centre property and equipment in a proper manner to avoid damage or injury
- avoid the use of profanity or other inappropriate language while on the premises
- deposit their soiled towels into the bins provided, and NOT leave towels on the benches or counters
- avoid using scents or perfumes, that may cause discomfort to others with allergies
- spray down their machines/benches, if it is obvious that they have perspired on (or otherwise soiled)
- wear appropriate fitness clothing and launder their clothing prior to each workout; shoes are mandatory (except for some yoga/Pilates mat workouts)
- contact staff on duty, if they wish to show/tour a co-worker, or new hire, through the facility (it is preferable that fitness staff conduct the tour, at their discretion)

Members will NOT:

- wear “outdoor” or open-toe shoes in the facility, regardless of whether the member feels that they are sufficiently clean or safe to warrant usage
- drop dumbbells, barbells or other equipment, which could cause damage or injury, or disrupt other members unnecessarily
- use hand chalk or other products that leave a residue on the equipment
- shave in the showers
- interrupt classes while they are in session (please try to arrive on time, or at least within the first five minutes of the class)
- attempt to “train” or instruct other members, whether pre-arranged or unplanned, regardless of whether the member feels that they have sufficient knowledge to do so (only HSG staff are permitted to train members)
- consume food or beverages except for water or sports drinks in a closed container

- attempt to bring a non-member onto the premises for the purposes of exercising or using the locker rooms (this facility is for the use of members only)
- attempt to bring in an outside Personal Trainer or class instructor or other therapist
- use the facility while under the influence of alcohol or drugs
- commit theft or other illegal actions
- use a cell phone inside the locker room
- store any personal items in the lockers overnight. Locks must be removed after each use of the locker, and locks left on will be cut and items will be added to the lost and found and donated if not claimed.

Members who do not comply with this Code of Conduct or the Rules of Membership will be given a warning and/or may be asked to leave the premises, and/or may have their membership privileges suspended or cancelled.
